Chapter Twelve "Teacher and the Proposal"

Dear ones, the assistant came off's business advertisement to work at home. So I had to rent a place nearby at my office. But my little brother eventually brings his bass guitar in here to play. (This is supposed to be an office.) Then just at picture of Katsuo (Shin) and Carol (the head) in the office. (She said it was more like that way.) The first thing I took into the office were manuscript paper and Paul (Shin's) (3). I forget about things like pens and had to hurry back home to get them (Shin's with that?) (Paying the straight man.)

Character introduction

Akodu Mitsuhide (3rd year)

Scorpio Blood type AB (175cm)

I wanted to have a character wearing glasses, this is how things went
glasses -> intelligent -> good with computers -> don't computers have data inside? -> he can be a data man, then thus his character was born.
(too appropriate)

Planning with Tokusawa students has improved his people skills. He's able to get along with other people now

His feelings toward Souma are simply "adoration".

Yokujiro, Seiya, Genya and Yusuke all wish he'd hurry up and notice a certain someone always by his side.

Chapter 13
Eternity and
Cassidy find
the beach, again

✦ Yours truly, who has never been to the beach, is doing a story about the beach, again.

I saw Elizabeth Petroni's art class recently and for over the moon.

(Singing to me about things that have nothing to do with the beach)

Anyway it was around 4 in the morning, and the assistants were all fast asleep

I thought I'd take a break and enjoy the art class, but a couple of misadventures began, bubbling around and annoy me...
... was what happened (important)

4 in the morning, in the office...
... was what happened (important)

You don't care about that? Okay then
In the end only a little bit was about the beach.

Character introduction

Saitou Kazuma 18y 2m
Aries Blood type A 5'4cm

I wanted a girl to appear. But she becomes good friends with Souma in the end so she needed a name, and she needed a school to go to other than Tokusawa and Oogiku Hish's Kazuma was born.

The day before she was to work at the beach shop, she used those training to practice saying good morning to Shun when she saw him the next day.

However on the day, she greeted him with a Shinsuke (why?)

"His brother is unreliable so I have to become dependant," is what she thinks.

Chapter 4:
"Senshi and Shun and
the Summer
Festival!"

⊗

Shun Shun's sad
struggle has come a
long way.

This story began in
the end of my second
and quarter one
when it was still
meant to be a
one-shot! But
since it was just a
one-shot, I didn't
read the idea and
descended it.

After that, it was
decided to continue
for a little longer,
but I descended it
again, thinking the
whole thing would
only last three
chapters anyway.
Even though I
descended it, I'm
leaving it out
even now that this
is more serious.

The next place, the
Summer Festival,
and the space here
chapter after this
one was drawn at a
time when my health
was very poor. I
suspect that's been
carried over to the
stories. Suffering
and a silly body
are a potent
combination for
disasters.

ARE YOU
ALRIGHT?

Thank you all for accompanying me through three whole volumes of this comic.

This volume has become an in-depth study of the characters.

A chapter about Mirai and Reichi when they were in middle school is next.

Later I've included a story I did that won the Lala competition.

When I sent in the story, I was thinking I'd much rather have everyone at Lala remember my name instead of getting a prize, so hearing that I'd won came as a shock.

I hope everyone has fun reading the stories and feel a connection with Banakou and the gang!

Please send your thoughts and impressions here.

Second chapter

"Mara and Ritsuka"

At this time:
Mara's height is 154cm, Ritsuka is 170cm. Ritsuka (high school 1st year) is 180cm. His final height will probably be over 190cm.

As for Mara, he probably won't go past 170cm. Yua and Shun Shun have pretty much reached their max height. (They might grow 1, 2cm more at most)

As for Souma - instead of growing, she seems to be shrinking (what the?).

Well, that's how she seems to have turned out

She just seems petite this side and round looking

WHAT KIND OF A FIGHT IS THIS!

WHAT AN IDIOT.

AAAAAAAAA

I have a
funny hole
inside

SHOCK

REICH IS A
TRUE IDIOT

How could
someone
be so
stupid.

My father
said
nothing.

ONCE
AGAIN HE
TELLS ME
I "HAVE"
SOMETHING

That's not
possible!

REICH

REICH?

Looking
at Reich?

It's been
illuminated...

REICH

THE
GUY'S
GONE
MAD...

HE'S
LAUGHING
HYSTERICALLY

AAAAAAAAA

CONFUSED

He
was
never
just
mad

Sadness, anger,
everything
pours into the
darkness.

Search of
neglected
desires

SORRY
ABOUT
EVERY-
THING.

I like
primary
colours.

But that
doesn't
mean I'm
unable to
express
anything.

SINCE
REICH WAS
ABLE TO
BECOME
AWARE
OF MY
COLOURS.

Because I
understand
that...

WHY
ARE OUR
MOVEMENTS SO
SYNCHRONIZED?

DUNNO,
BUT IT'S
REALLY
FLUNNY!

I began
to laugh
more and
more.

After brother
passed in
Mazda Manor

A change
of notes

Lots of
things
changed

...a lot of
things

...but
everything that
had filled the
hole began to
disappear little
by little.

and...

Mom's
younger
sister
found me

BIG
SISTER
HAS A
SON?

...but
I don't
know
what
you
want

She
was
born
before
the
hole
LO

Can
you
see
it?

She took
me in
but got along
really well

ME...
YOU...

HAHAHAHA

This is the
guy I am
now.

WASNT I HAPPENED
CONSCIOUS
SUCK THEM?

AND
THAT'S
WHAT

...but
I don't
know
what
you
want

Yes, it is...

Alchante Roid's colour

WAIT A MINUTE,
YOU MAKE
IT SOUND
LIKE SUCH
A BAD
THING!!

BUT YOU
WENT AND
GOT THEM
IN BROWN
COLOUR...

USED
TO BE
SUCH A
COOL
GUY...

He's mentioned up a lot of
stuff, but still an idiot at heart!

The
dark
feelings
are
gone.

As that
one has
exactly
opposite's

HUNT?

BUNCHOLI,
I HEARD
THAT,

But
the book
is still
there.

Maybe it'll
be there
any whole
Hc

IF
YOU
FEEL
"HUNT"
...

I...

PREFER
THE
CURRENT
MIRAI...

and I'll
that hole
up for sure!

I'll gather lots
and lots of
happy primary
colored feelings

Even so...
even if
that's the
case,

I read in a
magazine,
"A diamond
ring shall
become the
strongest
protection
stone."

Together
with my
friends, I
made my
own ring,
but my ring
without info.

I
MADE THIS
RING MYSELF.

Homerun Ring

WHAT'S...

What the hell is this?

YUP,
IT'S ALL

OUR

THANK
YOU.

I
CAN'T DO
THAT TOO
OFTEN. I AM
JAPANESE
AFTER ALL.

ALL
THAT
KIDS
ENOUGH-
DARING!

SOME
BOYS
DON'T
COME IN
THROUGH
THE
DOOR

OR
what you
do when
you meet
unpleasant
and so on

FROM
THE
POINT
OF
VIEW
OF
SCHOOL
IN THE
MORNING

HEY...
DON'T
BE
SO
NOSTALGIC

Since not
much took
place in the
Industrial High
School in this
volume, I'm
going to
focus on
the character
Pete and his
kindly

WARM
FEELS

NOT
HERE
YET

THE
TEACHER

They
came
through
the
window

They
go in
through
open
windows
on the
ground
floor

Unpleasant
smell in
through
the
windows

A day
full of
the starts
in the
morning!

The
school
bells
ring

STOPS

But the
school
bells are a
disappointment
that they
are at an
Industrial
school

The
day is
spending
time with
the school
bells

FROM 10 TO 100
LOVE, ALL 100 GAYS
TOGETHER.

When there's
10 the girls
only need to
like in the
summer they
get to play in
the pool at
least once a
week, and so
on...

A
reference to
valentine and a
fellowing trip
it's true they
only buy
juice for the
girls

Teachers forbid the
girls' summer to
ensure no such
incidents

The Industrial
High my little
brother goes to
has only 10
girls in the
entire school.
Everyone
considers
their fans,
since there are
so few girls.

All
for the
school
and
girls

No longer feels
anything when
seeing a guy
wearing only
pants (shorts/shorts)

WHA-HA-HA-HA

The girls
are very spoiled
Probably because
the teachers are
sorry that they're
spending everyday
putting up with
the boys' fighting,
strutting, off-
colour jokes and
whatnot.

HANG IN THERE GIRLS!!

WE'RE
WAITING
FOR
YOUR
LETTERS!

WHAT'S IT
LIKE AT THE
INDUSTRIAL
HIGH
SCHOOL YOU
GO TO, OR
AT A NEARBY
INDUSTRIAL
HIGH?

WOMAN
FIGURE

AND
THOSE ARE
JUST SOME
STORIES
FROM MY
LITTLE
BROTHER'S
HIGH SCHOOL.
